ANOTHER WONDERFUL CURE!

PRILADELPHIA, April 9, 1846.
Last August a year, I caught a violent cold, in consequence of getting wet in a shower of rain. A circumstance so common gare me no immediate concern, supposing that I should soos get rid of it. On the contrary, however, I daily grew worse; a yiolant sough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great scoretion of purulent mater in my tungs. I became greatly alarmed; and my friends considered my situation extremely circleal, the more so as loss of appetite, hereingered in the more so as loss of appetite, hereingered fever, and night sweats rendered me as weak as a child, and at night the awast literally poured of me! This was my condition when I commenced using "Thomson's Compound Syrup of Tar and Wood Naphtha." I producted one bottle, and experienced so much benefit that I resolved to continue it. It is now six months since I caused using the medicine, and the cure remains perfect. I firmly believe, this medicine is far superior to every other remedy for Consumption of the Lungs. I. CHAMBERLAIN, No. S. Carberry street. Alligmed and subscribed this 9th day of April, 1846, before me. ANOTHER WONDERFUL CURE!
